Technical Skills

Programming Languages

Java, JavaScript, C#, PHP, Dart, TypeScript

Client-Side Frameworks

Angular.js, Flutter

Server-Side Framework

Node.js, Spring boot

Database Systems

MongoDB, MySQL

Design Libraries

Tailwind CSS, Material UI, Bootstrap

Development Tools

Apache NetBeans IDE, Visual Studio, Android Studio, Visual Studio Code, IntelliJ IDEA

Education

2021 - Present

HNDIT

ATI Gampaha (SLIATE)

2020

GCE A/L

Kirindiwela Central Collage, Kirindiwela

Stream - Engineering Technology
Index No - 1459063

2017

GCE O/L

Vidyaloka Maha Vidyalaya, Veyangoda
Index No - 70572615

RAVINDU WIJERATHNA

Information Technology Undergraduate

I'm looking for an information technology internship to expand my industry knowledge and obtain practical experience. My primary goals for this internship are to get real-world experience, polish my technical abilities under the direction of seasoned experts, and significantly advance the organization's IT goals.

Project Experience

Job Portal Management System - 2024 (Web & Mobile Applications)

Angular + Node.js + Flutter

Created a user-friendly job portal management system using Angular and Flutter frameworks, using Node.js and MongoDB for backend and database, offering a secure, scalable and multiuser system experience.

Student Registration System - 2023 (Web Application)
